Items come with standard lengths as listed and accommodate most members and will require hemming. Talls are available with an additional 3" length for \$15. Size will fit only up to 1" over chart measurements.

Formal Dress lengths will accommodate heights up to 5' 9 1/2". Talls are available with 3" extra length with 6 week production time and \$15 fee. This style is stocked and exchangeable. We recommend ordering a stock size first unless someone is over 5' 10".

We recommend that members are measured wearing only undergarments or very lightweight clothing, such as a T-shirt. Measuring over bulky clothing will give you inaccurate measurements. Make sure to hold the tape measure straight. it should be snug, but not tight.

B+ Dress - \$67

In addition, your daughter will need black tights and black flat dress shoes (no heels). Hair should be pulled away from her face and black bows are fine, but no sparkles, or jewelry.

You will probably need to have your dress hemmed. Dress length should be long enough that ankles do not show, but short enough that shoe toes do show (1-2 inches from floor).
